

# Polished performers

CHEF Inox is professional cookware designed for people who take their cooking seriously. The range is made to withstand plenty of use in the kitchen and there are two lines, Studio and Gravity.

Studio has a non-stick or stainless steel finish, while the Gravity has DuPont Teflon on all the pieces and is dishwasher safe. Chef Inox cookware is available at David Jones and selected homeware stores. For more information visit [chefinox.com.au](http://chefinox.com.au).
