#### STUDIO WILLIAM CUTLERY

A passion for design. Innovative materials. Traditional manufacturing processes. Led by award-winning designer William Welch (pictured right), Studio William cutlery can be found in permanent museum collections around the world – and is now available in Australia. “Our designs reflect a growing trend toward pride in food presentation and a unique dining experience, not only in the restaurant but in the home,” says William Welch.

Available at David Jones, Top 3 by Design, Wheel and Barrow and leading homeware retailers.
