

Duomo™

Every ancient Italian city has a church with a dome ('il Duomo'), and the finer the city, the grander the church. Set in the centre of the town and designed by their Renaissance forefathers, these churches have inspired wonder and envy throughout the civilised world. Let tablekrafts Duomo pattern bring some civilisation back to that most gracious element of life – fine dining. The rounded mirror-polished forms perfectly frame a satin-polished frontal panel, altogether an architecturally satisfying shape.
