

A pattern that re-invents classical French. Forcibly dragging the 'Age of Enlightenment' into the 'Space Age', the rounded French pommel is retained together with the sharp taper to the tools. That's where antiquity dissolves into the 21st century: fully monobloc, satin-polished hilts with mirror-polished tools. The pommel too gets an update, attaining an extremely elegant covered scallop so as to soften the harshness that could otherwise intrude.
