

Vecchio™

Vecchio translates as 'old' or 'old man' in Italian, signifying the antiquity of the structure. Its very age belies the modernity of the designs that are on show in this traditional venue. So too, this mirror-polished monobloc pattern. The knife alone is a work of art, standing proudly and serenely in its self-satisfied glory. Based loosely on ancient Celtic knife designs of the 5th century BC, it has that feel for tradition that will always remain at the leading edge of design, transcending the millennia.
