

- + Now that you have spent so much time and energy in preparing your wonderful meal, spend some time to compliment it with a great and unique presentation style. Remember we eat with our eyes first! Food that is presented beautifully is always more appealing and starts the meal off with a smile on everyone's face.
- + Don't be afraid to experiment with unique and fresh serving pieces. An exciting and novel food preparation product can make your food taste even more delicious!
- + Our Chef Inox Miniatures are perfect for individual portions and oven to table service. Ideal for any restaurant, cafe or dinner party.
- + Ideal for soufflés or puddings, sauces, and braises while the frying pans can be used for tapas, baked eggs, curries, searing seafood and much more.
- + Each pan is oven safe to 250°C
- + Chef Inox Copper Miniatures have an overall thickness of 2.3mm. With a copper exterior, durable stainless steel interior and riveted polished brass handles.
- + Chef Inox Stainless Steel Miniatures have an overall thickness of 1.5mm. With stainless steel interior and exterior and available with riveted polished brass or stainless steel handles.
- + Chef Inox Miniature colanders are perfect for quickly draining individual portions of fruit, beans and pulses.
With a footed base and side handles, it is a classic style colander. A novel way to serve individual portions of salad or fruit at the table.
- + Swing tag ready for retail sale
