

Aromis

Kinox[®]
Established 1949

Kinox Aromis insulated thermal servers have a **shatter proof** liner and are constructed from industrial strength Stainless Steel to withstand the rigors of commercial catering environments. They are durable, hygienic, easy to clean and commercial dishwasher safe.

Kinox Aromis servers temperature retention keeps beverages hot or cold for at least 8 hours and the '**press & pour**' thumb lever allows for easy dispensing control with minimal hand fatigue. Other features include an ergonomic handle which provides a strong and comfortable grip, colour coding for easy identification, and an aroma-loc design to retain fresh tastes & flavours for long periods.

Aromis Insulated Thermal Servers
