**Natural high chair**

Item ID	H	L	W	WT	SM	CQ
09801	733	513	502	5.694	1	1

### TOMKIN TIPS

To minimise child injury, look out for these points when selecting a high chair:

1. Stable features such as a balanced frame, high sides, back support and a non-slip base
2. A harness/appropriate strap to restrain children from standing, falling off or slipping from the chair
3. No sharp edges, exposed folding mechanisms or gaps that can cut/trap fingers or limbs
4. No small pieces that can easily be removed and swallowed by children
